

Jubilant Ingrevia Limited  
Bhartiagram, Gajraula  
Distt. Amroha, U.P., India,  
Pin : 244223  
Ph. - + 91 5924 252351, 252353-60

Certificate No. : TC-7137

Quality Control Laboratory  
Certificate of Analysis

PRODUCT : PYRIDINE

REPORT ISSUE DATE : 27.02.2023  
DATE OF SAMPLING : 15.02.2023  
LAB REF NO. : 0676-23  
REPORT NO. : PYR/ 0150/ 2023  
BATCH NO. : G-PYR0077-B-23  
SPECIFICATION; REV. NO. : FPS/PYR/F00046/ F00052/ SPEC-01; 002  
SAMPLING PLAN : JVL/QCD/SOP/018

TANKER/CONTAINER NO. : NOT APPLICABLE  
NO. OF PACKINGS : 65 X 200 KG  
QUANTITY : 13000 KG  
SUPPLIED TO : M/S URMI  
BHIWANDI

MFG. DATE : FEB. - 2023  
RETEST DATE : OCT. - 2023

| S.No. | PARAMETER                         | UNIT  | STP NO.      | SPECIFICATION                                           | TEST RESULT                                    |
|-------|-----------------------------------|-------|--------------|---------------------------------------------------------|------------------------------------------------|
| 1     | Appearance                        | -     | FPS/STP/0001 | Clean, clear liquid with characteristic odour.          | Clean, clear liquid with characteristic odour. |
| 2     | Colour (Pt Co, Scale)             | HU    | FPS/STP/0002 | 25 (Max)                                                | 10                                             |
| 3     | Distillation Range at 760mm of Hg | °C    | FPS/STP/0006 | First drop to dry point 1.0°C (Including 115.3 ± 0.1°C) | 114.4 - 115.3                                  |
| 4     | Solubility                        | -     | FPS/STP/0008 | Soluble in water in all proportions                     | Passes                                         |
| 5     | Moisture Content by KF            | % w/w | FPS/STP/0003 | 0.15 (Max)                                              | 0.034                                          |
| 6     | Purity, (by GC, FID, Area%)       | %     | FPS/STP/0020 | 99.90 (Min)                                             | 99.94                                          |

REMARKS:

- 1) The material conforms to specifications.
- 2) The result listed refers only to the tested sample (s)/product and applicable parameter (s).  
Endorsement of products is neither inferred nor implied.
- 3) Sample will be destroyed after Retest period + one month of products.
- 4) This report is not to be reproduced wholly or in part and can not be used as evidence in the court of law, and should not be used in any advertising media without our special permission in writing
